TAG Special 30 Day Sub Committee
Bona Fide Agricultural Activities

A component of the Board approved Wetlands Hybrid plan is to develop and adopt rule language to provide select exemptions from reasonable use and mitigation for bona fide agricultural activities. Two public workshops and a public hearing have been held. At the November 15, 2007 EPC meeting, the Board directed staff to have the TAG review the proposed rule language and provide comment.

<table>
<thead>
<tr>
<th>Reasonable Use</th>
<th>Mitigation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Use of AGSWM policy</td>
<td>¼ acre or less no mitigation</td>
</tr>
<tr>
<td>½ acre cap on excavated wetlands</td>
<td>EPC acceptance of ERP mitigation</td>
</tr>
<tr>
<td>½ acre cap on filling wetlands</td>
<td>Number of years to remain in Ag use</td>
</tr>
</tbody>
</table>
