

## **TAG Sub Committees**

### **Internal Process**

This committee will cover many areas that will be contemplated in the staff's drafting of the Basis of Review document and Applicant's Handbook. These will include: reasonable use, the EPC review process, timeframes and deadlines, project prioritization, internal consistency, revised fee schedule, checklists for incoming projects.

#### **Basis of Review**

Reasonable Use  
UMAM  
Delineations
